## “Service Above Self”

Dear Friend,

On Saturday, October 20, 2007, the Rotary Club of Parsippany-Troy Hills will be holding its **Fifth Annual Beefsteak Dinner**. We are asking for your help with this event. Please consider making a donation for the Tricky Tray held in conjunction with the dinner.

The reason we raise funds is to return those funds to our community and to support worthy international projects. With your help and participation, we could continue to support these good works. Here is a **partial list** of the projects supported by our Rotary Club:

- **The Dictionary Project** – A Webster Dictionary for each 3<sup>rd</sup> grader in Parsippany
- **Safety Town** – Two week safety training for young children
- **Scholarships** – For a student graduating from each High School
- **Sponsorship** – Of two Little League teams and a Soccer team
- **Camp Merry Heart** – Sponsor a campership for a child with disabilities
- **Gift of Life International**– Help children receive corrective heart surgery
- **Pedals 4 Progress** – Collect and ship used bikes to developing countries
- **Operation Sunshine** – Provides summer camp for homeless or troubled children
- **Special Community Projects**
  - Furnished the toddler room at the **Parsippany Library**
  - Provided equipment for the **Parsippany Handicapped Accessible Park**
  - Provided “**Whisper Phones**” for one elementary school
  - Provided funds for **Project Graduation**
- Support for the **Rotary Foundation**, which provides humanitarian projects throughout the world
